Reduced charge

TO INSTALL A

BUSINESS TELEPHONE!

Why do without a telephone in your business any longer, especially now that the charge for installing has been reduced from $8.00 to $5.00?

Today, drop in at our nearest Business Office and order your telephone.

SUBSTITUTION CHARGE REDUCED!

You can now change the type or style of your equipment for $1.00 less per telephone. For example: the former charge for changing from the upright type to a hand telephone was $2.50—now it is only $1.50.

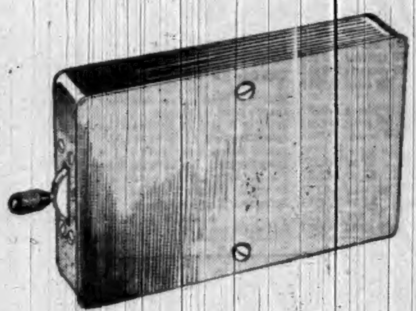
TELEPHONE CONVENIENCE AIDS

Below are briefly described some of the features and functions of Telephone Convenience Aids

Convenience Aid 203

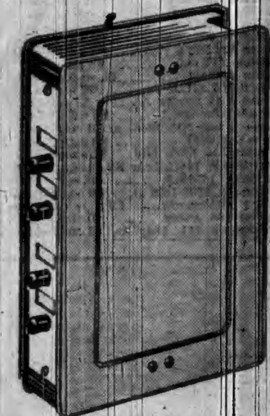


Answering on Two Lines

Convenience Aid 9C

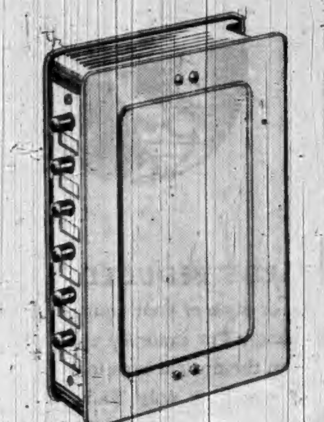
Answering and Holding on Four Lines

Convenience Aid 200



Answering and Holding on Two Lines

Convenience Aid 201



Answering, Holding, Intercommunication on Two Lines

● *Answering* means the ability of an individual to answer not only his own calls, but also calls for another individual.

Holding means that one individual may hold a call while he makes or receives a call over another line to someone within or without the premises—without the person being held hearing the conversation.

Cut-Off means to cut off any associated telephone or telephones connected to an individual's telephone.

Intercommunication means the ability of a person to talk over the telephone with one or more other persons within the organization without going through any switchboard.

For further information call the Business Office or dial 811.
